Raft race at Voss, Norway 29th of June 2007

Voss in Norway is a centre for action sports and outdoor events. It's a small town located on the West coast, 100 km east of Bergen. Ekstremsportveko is the largest Extremsport event in the entire world. This summer will be the 10th anniversary. Ekstremsportveko hosts competitors and spectators from all over the world, and is therefore a cosmic *pot-pourie* of happy people gathered to enjoy the sweet atmosphere of this unique event.

Program:

This year the Ekstremsportveko and the Worlds in Korea is at the same time. This means we won't run a Euro cup competition. There will be a **one day downriver raft race at Friday 29. June**. The raft race will be a part of a multi sport Nissan Challenge.

This means:

- 1) You can enter only the raft competition. Team of 6.
- 2) **OR** you can enter Nissan Challenge (mountain bike, rafting, catching (climbing) and slack line). Nissan Challenge will have limited number of teams, so be quick if you are keen. Team of 6.
- 3) **OR** – you can enter as single, two or whatever, and we will team you up with someone else.

How do you get here?

The closest airport is Bergen, Flesland. From Flesland it's a 1,5 hour drive by car. You can go by bus and train to Voss. From Oslo airport, Gardemoen it's a 6 hour train ride. We pick you up at the train station.

Where do you sleep?

We offer free camping at the rafting base. There you'll find showers and toilets in our brand new Raft-house, and an outdoor jacquy and sauna. There are also possibilities for more comfortable accommodation. **Tell us soon, so we can help you with booking.**
