Because our white water course does not run on a natural water flow, we need to ask for an entry fee to cover the costs. Please check our price list for the latest tariffs!

Photo finish

Last Saturday *Split Time Time Electronics*, partner for time registration, visited Dutch Water Dreams to experience what the athletes experience during the Pre Worlds 2009. Team Teva/Wildwaterschool.nl guided them down the white water course and learned them everything about rafting and competition. Split Time will now prepare themselves for timing the Pre Worlds.
